**2022 PROFESSIONAL DEVELOPMENT WORKSHOP**

## **“MENTAL WELLNESS, ADDICTIONS AND HEALING: PROMISING RESPONSES TO ENDING THE OPIOID EPIDEMIC IN INDIGENOUS COMMUNITIES”**

**November 22 - 23, 2022, Holiday Inn Hotel & Suites Downtown Vancouver, BC**

**November 23 - 24, 2022, Radisson Hotel Edmonton Airport, Leduc, AB**

### **ABOUT THE WORKSHOP!**

We have ample evidence that the current opioid pandemic is affecting Indigenous people more than any other group of people in Canada. We also know that we have prevention and treatment tools that work.

We also know that there are many Indigenous and non-Indigenous people dealing with trauma, pain and opioid misuse.

This workshop will provide you with practical and effective tools and will apply evidence-supported approaches that will bring relief to men and women in need.

You'll build your skill base and be able to use cutting-edge, innovative approaches that work. We'll discuss trauma and its treatments, as well as how trauma intersects with both chronic pain and opioid misuse. You'll have a thorough understanding of chronic pain, central sensitization, and appropriate behavioral interventions for pain treatment. You will learn the science of opioids and their impact on people in pain. You will clearly see the overlap between these conditions and build confidence in your ability to help.

You will have an opportunity to network with fellow learners and practitioners and improve your client care.

- Current Issues Affecting Mental Wellness, Addictions and Healing of Indigenous People
